ABOUT

AT FAC3, WE CUT THROUGH THE FLUFF TO GIVE YOU A SLICK AND PROFESSIONAL CV THAT WILL HELP BOOST YOUR JOB SEARCH.

Unlike our competitors, when you send us your CV or profile, we don't simply polish it up and throw it back to you. We reinvent, reimagine and revive your content, and package it up with high quality marketing and recruitment advice. Add that to the knowledge that you've got us in your back pocket for the next 12 months, and there's no reason for you not to chase your dream role!

**YOU'VE ALREADY GOT YOUR OWN IDENTITY,
WE JUST HELP YOU TO EMBRACE IT.**

WHY?

WHY CHOOSE FAC3 TO HELP IN YOUR JOB HUNT?

If the job summary is screaming your name, the essential experience makes you the perfect fit, and you're already daydreaming about meeting your new colleagues, there's only one problem...

YOU NEED TO GET NOTICED.

When you've listened to everyone in your network about the 'best way' to write a CV, and you're left with a mangled document that's pushy and overbearing - and in dire need of some TLC - it can be tricky to know where to turn.

At FAC3 we listen, we engage, and we create a CV that becomes an extension of your personality. Genuine, humble, but straight talking and to the point, we will compose a bespoke CV that ticks all the right boxes, and won't be left unread.

With a clear, well thought out design, and content that tells the reader everything they need to know,

YOUR FAC3 CV WILL BE YOUR NEW BEST FRIEND.

“

AT FAC3 WE
NAVIGATE THE
CONFUSING
WORLD OF
RECRUITMENT
TO LEAVE YOU
WITH A CV
THAT IS HONED,
SHARP AND

UNFORGETTABLE.

TIRED OF REJECTION?

FED UP OF WAITING FOR EMAILS THAT NEVER ARRIVE? DESPERATE FOR JUST ONE PIECE OF FEEDBACK THAT TELLS YOU WHERE YOU'VE BEEN GOING WRONG?

We know the job market is tough. In a raging battle for who can shout the loudest, it can be exhausting and deflating. When you've got everything listed for the job, why aren't you being interviewed? What are you forgetting?

Ultimately, prospective employers only know what you tell them. Even though you think you've given them everything you've got, there's always more to give,

**AND WE CAN HELP YOU ARTICULATE
EXACTLY WHAT'S MISSING.**

READY TO
CHANGE
THE FACE OF
YOUR FUTURE?

WHY IS A FAC3 CV DIFFERENT?

**CV'S ARE LIVING, DIGITAL RESUMES, AND
YOU NEED KEYWORDS THAT RESONATE
WITH THE ROLE YOU WANT.**

At FAC3, our expert writers provide the best orthography on the market. High impact and high value words that are designed to catch the eye of skim readers, and ensure your CV has the best chance to be seen.

Application tracking systems aren't a match for our word wizards either. We use top level knowledge to include the search terms we know will get recognised by a bot. By re-working your experiences, we can create a CV that will

MAXIMISE YOUR CHANCE OF SELECTION.
